

Slimming Formula

#HP-51-50460

Size: 60 tablets

Are you among the more than two-thirds of American adults who are trying to lose weight or maintain their current weight? You already know the two keys to success are regular exercise and a healthful diet. Slimming Formula gives you the additional support you need while you establish those new habits. The natural ingredients in Slimming Formula help with:

- Appetite control
- Ephedra free
- Non habit-forming
- NO sleep disturbance
- Food cravings
- Caffeine free
- NO jitters

Use Slimming Formula for until you establish new eating habits, or for a maximum of 3 months. Works best when used with healthy diet and regular exercise, approved by your health care professional.

Like all Safe, No Worry Medicines, Slimming Formula is homeopathic.

- NO side effects
- Safe to use with other medications, including prescription
- Gently stimulates the body to heal itself
- Registered with the FDA (Federal Drug Administration)
- Convenient tablets dissolve in your mouth—taste good too!

Directions: Adults, children 12 and over: 2 tablets, 2 to 3 times daily. For best results chew and/or dissolve tablets in mouth for 30-60 seconds before completely swallowing. Homeopathic remedies are best absorbed sub-lingually (under the tongue)

Tips: To experience the full benefits of Safe, No Worry Medicines, try to avoid the following substances 30 minutes before and after taking a dose:

Coffee and other sources of caffeine
 Mint (including mint toothpaste, candy, or gum)
 Camphor (found in lip balms)
 Garlic and onion

Remember:

- Children under 12, consult a physician.
- If pregnant or breast-feeding, ask a healthcare professional before use.
