

## Solaire Tan Activator

#NS-21-10060

**Size:** 60 soft gels, 5-6 weeks supply

### Get Bronzed, Beautiful, Healthy and Radiant with Solaire All-Natural Tan Activator!

Solaire features a full spectrum of natural carotenes to enhance skin color. Having a tan looks radiant and feels great, but conventional tanning methods aren't always healthy. Sun Damage is a key contributor to aging skin. Unprotected skin can rapidly wrinkle, freckle and get age spots. Solaire naturally and safely jump-starts your skin's melanin production for a beautiful tan. It produces quick results for a healthy tan in less time than it normally takes to tan.

A number of recent studies indicate that prolonged exposure to UV radiation can suppress the immune system and weaken the body's defenses. Studies have also shown that carotenoids help support a healthy immune system.

The special bronzing oil blend in Solaire has been known to help the body work better to:

- Give skin a healthier, more radiant and youthful look.
- Naturally jumpstart your skin's melanin production for a beautiful tan.
- Produce quick results for a healthy tan in less time than it normally takes to tan.
- Solaire optimizes natural melanin production allowing for a year-round tan.
- Solaire reduces the frequency and length of sun exposure necessary for a beautiful tan.
- Melanin is a pigment found in skin that accounts for the dark color of skin.

### The Positive effects of Solaire by Blue Spring are:

- Solaire does not contain synthetic ingredients or synthetic carotene, so it will not turn the skin orange
- Solaire can be used alone without the Sun or UV exposure
- Solaire can be paired with a sensible amount of indoor or outdoor UV exposure (to tan even faster)
- Good for all skin tones
- Solaire Natural Tan Activator will give you maximum results if used properly. We have so much confidence in our Solaire Natural Tan Activator that we back it up with our Blue Spring 60 day money back guarantee. To read about the Blue Spring 60 day money back guarantee click [here](#).

**Directions for use:** Take 2 soft gels per day for 10 days, and then reduce to 1 capsule daily.

**Directions for best use:** Begin 2-3 weeks prior to sun exposure. Use regularly to sustain benefits. Also use regularly for brighter, healthier-looking skin, even without continuous sun exposure.

- Be even more careful in the summer - sun exposure can be more intense with bare legs and bare arms
- Driving a car exposes your hands and arms to sunlight - protect your skin from harmful UV rays

**Product Ingredients:** Vitamin A (as beta carotene from Dunaliella Extract), Vitamin E (from wheat germ oil and grape seed oil), Dunaliella Extract, Bronze Oil Blend of Cold-Pressed Virgin Borage Seed Oil, Wheat Germ Oil, Grape Seed Oil, Gelatin (fish source), glycerin

## Solaire Tan Activator

---

**Vitamin A (as beta carotene from Dunaliella Extract)** - Beta-Carotene from Dunaliella Algae helps the body with: healthy Vision; normal bone and tooth development; reproduction; health of skin and mucous membranes; anti-oxidant to the body; protection from loss of skin elasticity; protection from wrinkling; protection from UV rays

**Vitamin E (from wheat germ oil and grape seed oil)** - Vitamin E is often used because it is commonly believed to play a role in encouraging skin healing and reducing scarring after injuries such as burns. Wheat germ oil is an ultra rich oil that is a high natural source of Vitamins E, A, and D. Wheat germ oil is beneficial when applied externally for numerous irritations including roughness of the skin, cracking and chaffing. It successfully helps reverse the effects of aging. Grape Seed Extract and Grape Seed oil is a rich source of Vitamin A. It is considered one of the best natural sources of antioxidant protection. It is especially beneficial for cardiovascular health; it fights free radicals and gives antioxidant protection to the entire body. It is anti-inflammatory, an antihistamine and an anti-allergenic. It is also a free radical scavenger. Grape seed extract and Grape Seed Oil from the extract have been known to help Vitamin C enter the cells and to treat deteriorating diseases and conditions with great success. It is known to be successful in the following: strengthening and supporting the cardiovascular system; strengthening weak blood vessels; promoting tissue elasticity; healing injuries; reducing swelling and edema; promoting tissue elasticity; restoring collagen; Improving peripheral circulation; preventing bruising; improving the performance of immune and nervous systems.

**Dunaliella Extract** - This vitamin (retinol found in Vitamin A Beta-Carotene) plays an essential role in vision, particularly night vision, normal bone and tooth development, reproduction, and the health of skin and mucous membranes (the mucus-secreting layer that lines body regions such as the respiratory tract). Vitamin A also acts in the body as an antioxidant, a protective chemical that may reduce the risk of certain cancers.

**Bronze Oil Blend of Cold-Pressed Virgin Borage Seed Oil** - Borage Seed Oil is used topically to nourish and hydrate the skin. It is also used for damaged skin where new cells are needed. It is beneficial for both topical and internal applications. Because of its extremely high levels of gamma linolenic acid, Borage Seed Oil has been used extensively. Borage Seed oil has been studied for: easing pain, swelling and stiffness that comes with rheumatoid arthritis; reducing inflammation; many skin disorders such as quickly aging skin, acne, eczema, rosacea and psoriasis; nails, scalp and hair growth; nourishment and stopping dry conditions in nails, scalp and hair; bone strength and growth; hot flashes; dry eye and pressure in the eye; heart disease and high blood pressure; nerve disorders.

**Wheat Germ Oil** - This ultra rich oil is high in natural sources of Vitamins E, A, and D. Wheat germ oil, when applied externally, is beneficial for numerous irritations including roughness of the skin, cracking and chaffing. It successfully helps reverse the effects of aging.

**Grape Seed Oil** - Grape Seed Extract is considered one of the best natural sources of antioxidant protection. It is especially beneficial for cardiovascular health; it fights free radicals and gives antioxidant protection to the entire body. It is anti-inflammatory, antihistamine and anti-allergenic. It is also a free radical scavenger. Grape seed extract has been known to help Vitamin C enter the cells and to treat deteriorating diseases and conditions with great success. It is also known to be successful at: strengthening and supporting the cardiovascular system; strengthening weak blood vessels; promoting tissue elasticity; healing injuries; reducing swelling and edema; promoting tissue elasticity; restoring collagen; improving peripheral circulation; preventing bruising; improving the performance of immune and nervous systems.

**Gelatin (fish source), Glycerin**
