

AM-PM Skin Refining Ampoules

#SC-318

Size: 30 Single Use Ampoules

The Right Moisturizer, Vital to Beautiful Skin

The key to looking and feeling your best is having beautiful skin, which means having a good skin care regimen that includes a great moisturizer. Extra dry or damaged skin needs special care from gentle ingredients.

Taking care of your skin has just gotten easier. **BLUESPRING** is proud to bring you the AM-PM line of skin care, specialty products designed to work together to:

- Clean gently and thoroughly
- Provide the proper moisture balance
- Exfoliate dead skin without harsh abrasives
- Improve the appearance of fine lines
- Minimize pores
- Nourish healthy skin with vitamins
- Limit oxidation damage done by free-radicals
- Encourage the growth of new skin cells

You will notice a difference right away with our luxurious products, and over time your skin will look better than you thought possible without surgery!

Special Hydration for Your Skin

Dry, damaged skin looks dull and rough. **BLUESPRING's** AM-PM Skin Refining Ampoules are full of super-rich moisturizers and ingredients designed to leave your skin looking smooth, soft and supple. Used regularly, they will even help your skin to repair past damage to improve the look at feel of your skin. Each ampoule will:

- Penetrate to carry hydration to the deepest layers of your skin
- Not clog your pores, which can lead to breakouts
- Prevent moisture loss throughout the day by absorbing water from the air
- Gently seal your skin leaving a smooth silky feeling
- Deliver ingredients that help reduce the appearance of:
 - Fine lines
 - Wrinkles
 - Discoloration
 - Scars

You will see the results the first time you use one, and the more you use, the better you look!

Soft, Smooth Skin at Your Fingertips

BLUESPRING's AM-PM Skin Refining Ampoules smooth onto your skin easily, penetrating deep into the layers to deliver the hydration your skin needs, and dry quickly to leave your skin feeling silky smooth and looking radiant. The secret is the special mix of beneficial ingredients inside each ampoule.

- Butylhydroxytoluene, known as BHT, is an anti-oxidant that also works synergistically with other anti-oxidants and boosts their effectiveness at fighting oxidizing by free-radicals.
- Acetyl Hexapeptide-8, AHA-3, is commonly referred to as "Botox in a Jar" for its muscle relaxing properties. It is also a peptide that helps your skin look firmer and plumper by boosting collagen and elastin production.
- Lecithin and Glycolipid increase the strength and impermeability of your skin cells outer bi-lipid layer.
- Cocoate, a fatty acid derived from coconut oil, promote cell membrane function and healthy skin, as well as moisturizing and softening your skin.
- Cyclopentasiloxane, Dimethicone Crosspolymer, and Ethylhexyl form a protective barrier on your skin, sealing in moisture, blocking out harmful UV rays and free-radicals, and give your skin a silky smooth texture

Results, We Guarantee It!

At **BLUESPRING** our mission is to help our customers improve their quality of life with safe, natural, and effective health and wellness products. We seek to provide the best items made from the best ingredients available.

We are so sure that our products will do what we promise, that we back them with our Risk Free 60-Day Money Back Guarantee. If you are dissatisfied with any product for any reason, simply return it to us and we will either exchange it for a product of equal value, or return your purchase price, no questions asked.

Directions:

After cleansing with **BLUESPRING's** AM-PM Gentle Wash for Dry Skin and toning with **BLUESPRING's** AM-PM Balancer, twist the top off an ampoule and squeeze the contents into the palm of your hand. With your fingertips gently massage into the desired areas of clean, dry skin. Follow with **BLUESPRING's** AM-PM Firming Eye Serum or **BLUESPRING's** AM-PM Firming Eye Cream and **BLUESPRING's** AM-PM Enriched Moisture cream. Use once or twice daily, as needed. **BLUESPRING's** AM-PM Skin Refining Ampoules should be stored in a clean, cool, dark place.

Ingredients:

Cyclopentasiloxane, Dimethicone Crosspolymer, Ethylhexyl, Cocoate, C24-28 Alkyl Methicone, Lecthin, Glycolipids, Acetyl Hexapeptide-8, Fragrance, Benzyl Salicylate, Hexyl Cinnamal, BHT.

Cautions:

While none of the ingredients in **BLUESPRING's** AM-PM Enriched Moisturizer are harmful to eyes, sensitive eyes may sting, burn, and become red if any gets in the eye, especially if wearing contacts. If some of the product does get in your eye, simply flush with a little water or saline contact solution.

This product is intended for cosmetic, external use, and taking it internally is not recommended.
